

## EXHIBIT 1

IN CASE OF EMERGENCY EVACUATION, WE ARE ASKING  
ALL COTTAGE RESIDENTS TO BE ON ALERT AND BE PREPARED TO EVACULATE.

Your RPG Neighborhood Coordinators will be instructed by RVM Incident Command (IC) and will communicate to you when an evacuation has been initiated. You may also receive information directly from One Call Now and/or Channel 900.

Please have your “go” bag with your medications, important documents, cell phone, cell phone charger, blanket, pillow and anything else you may need for approximately 48 hours. Please limit to only what YOU can carry in one bag.

A word about your pet: If you wish to bring your pet with you during the evacuation it must be in a pet carrier/kennel. There will be other pets at your shelter in place location. It is YOUR responsibility to care for your pet, and have it under your supervision during the evacuation. Please have 48 hours of food and water for your pet.

RVM buses and Manor Express will provide transportation for residents to their assigned evacuation location. Please stand outside of your front door, or garage door so drivers will see you and then take you on the short trip to the Plaza or the Manor. They will make multiple trips down each street to pick up waiting residents. **DO NOT** drive your own vehicle (this may cause unnecessary congestion and may block responding emergency vehicles).

\*Due to the current remodel in the Skyline Plaza, the IC may need to flex more residents into different meeting rooms as necessary based on the nature of the incident, number of evacuees, and available space in a particular room at the time of the incident (8-16-21).

If you choose to evacuate the campus, please check in with the staff at the corner of Mira Mar & Shannon, or at the Ellendale entrance/exit. This will ensure us that you have been accounted for, and have left the facility.

**Your RPG Neighborhood Coordinator, One Call Now, and/or Channel 900 will provide additional instructions.**

**Main Manor, Manor Terrace, and Skyline Plaza will "Shelter in Place". Those residents will also receive information from their Floor Captain and stay tuned to Channel 900 for updates and/or listen for One Call Now.**
