

April is sort of an in-between month for emergencies

Are you ready for what comes next?

Heat, Sun – hats, clothing, sunscreen?

Smoke – masks, air purifiers, filters?

Water and emergency supplies in car?

Go-Bag and bug-out plans?

Always at least a half tank of gas?

Lights and batteries for the power outage?

And remember, emergencies don't have to be big, hot or fast – western Oregon ticks can give you and your pet half-a-dozen nasty diseases

Off the sidewalk? -- insect & tick repellants

EMERGENCIES AREN'T JUST FOR INDIVIDUALS THEY ARE COMMUNITY EVENTS

The Resident Preparedness Group (RPG) provides emergency assistance with communications between RVM and residents, and helps residents prepare and respond

Each cottage area neighborhood and each tower floor has an RPG Coordinator – get to know yours, and your neighbors.

We are all in this together
