Win a Bottle of French Wine...and More!

The Manor Art Committee and Library are celebrating the coming Olympics with a July focus on art and books about Paris. Stop by the Library circulation desk to pick up your entry form for an Art Scavenger Hunt that will take you to six Manor **floors to locate 16 Manor collection artworks that feature Parisian Scenes.**

The first person to return a completed form with the correct locations will win a bottle of French wine. The names of those who return correct forms after the first one has been received will be placed in a drawing for a second bottle of French wine.

Whether or not you earn the wine, entering this contest will make you a winner because it will give you a chance to view many Manor Collection favorites along the way...and to scan a QR code or two that will bring up a three-minute "Art-I-Fact" talk about the piece. Manor floors and other public areas are always open for art
